Sir,

Its promoters seems to be cunning and if u are a share holder now, u can register with watchoutinvestors.com where u get free advice and this co will be treated as vanishing and it takes action against them.I know that after IPO it had manipulated thr price upto Rs.100/ or more in the year 2000 and that too withot ant fundamental support.

Thanks. [Vision Organics - BSE : Rs. 1.15 NSE : Rs. N.A. when posted]
