MMB's Most Tracked Boarder Is A Scamster/Operator

Posted by : [mad_astrologer](#) at 10:24 (11th Feb '05)

Going through DCA(Department of Company Affairs) Site, I have come upon a very interesting fact.

A company named Deccan Petroleum collected money from Investors and vanished.

The details of the managing director of this company are

Sampat G

S/o. K. Gopalan, 3-6-100, B/1, West Marredpally, Secunderabad 500026

This Sagi is Mr Sampat G.

His Contact Number is 27803542 (Hyderabad). YOU CAN VERIFY THE PHONE NO AND ADDRESS AT BSNL SITE.

He along with his associates is playing a big game on MMB. His associates portray him as a saint , but he is a wolf in sheep's skin.

He is nothing but an operator.

He has cheated thousands in the past and will do the same, for rest of his life.

Dont get fooled by him.

He is barred by SEBI from entering into capital market and there is a case pending against him.

MMB may remove my message after some time. BUT I ASK THEM WHY DONT THEY CONTACT SAGI AND VERIFY THE DETAILS THEMSELVES.THEY MAY BE HAVING HIS ADDRESS AND PHONE NUMBER IN THEIR RECORDS.

Here are two links that clearly show how he has cheated thousands of investors.
