IN THE MATTER OF

Sl. No.	NAME	PAN

In Re: SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015

Background of case:

1. Securities and Exchange Board of India (hereinafter referred to as “**SEBI**”) was in receipt of a letter no. F. No. 03/73/2017-CL-II dated June 9, 2017 from the Ministry of Corporate Affairs (hereinafter referred to as “**MCA**”) vide which MCA has annexed a list of 331 companies identified as “shell companies” for initiating necessary action as per SEBI laws and regulations. MCA has also annexed the letter of Serious Fraud Investigation Office (hereinafter referred to as “**SFIO**”) dated May 23, 2017 which contained the data base of companies categorized as shell companies along with their inputs.
2. SEBI as a market regulator is vested with the duty under section 11(1) of the SEBI Act, 1992 (hereinafter referred to as “**SEBI Act**”) of protecting the interests of the investors in securities

and to promote the development of and regulations of securities markets by appropriate measures as deemed fit.

3. SEBI was of the view that companies whose names are included as shell companies by SFIO and MCA, were potentially involved in
 - (a) Misrepresentation including of its financials and its business and possible violation of SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015 (hereinafter referred to as “**LODR Regulations**”) and/or
 - (b) Misusing the books of accounts/funds of the company including facilitation of accommodation entries to the detriment of minority shareholders and therefore reneging on the fiduciary responsibility cast on the board, controlling shareholders and key management person (hereinafter referred to as “**KMP**”)
4. SEBI was also of the view that investors should be alerted on the possible enforcement actions by various authorities leading to potentially significant impact on the price of the stock.
5. Therefore, in the interest of investors, SEBI took the pre-emptive interim measures under section 11(1) of SEBI Act, 1992, in respect of listed shell companies including M/s Adhunik Industries Limited (hereinafter referred to as “**AIL**” / “**Company**”), vide its letter dated August 7, 2017, based on the view stated at para 3 and 4 above. SEBI placed trading restrictions, on the promoters/directors so that they do not exit the company at the cost of innocent shareholders. In view of the said objective, SEBI vide the said letter dated August 7, 2017 also placed the scrip in the trade to trade category with limitation on the frequency of trade and imposed a limitation on the buyer by way of 200% deposit on the trade value, so as to alert them trading in the scrip. The said measures were initiated by SEBI pending final determination after verification of credentials and fundamentals by the exchanges, including by way of audit and forensic audit if necessary. The measures also envisaged, on the final determination, delisting of companies from the stock exchange, if warranted. By virtue of these measure, trading in scrip was not suspended but allowed under strict monitoring so that

investors could take informed investment decisions, till SEBI and Exchanges completed their detailed examination of such companies.

6. Pursuant to the same, Bombay Stock Exchange Limited (hereinafter referred to as “BSE”) vide notice dated August 7, 2017, National Stock Exchange of India Limited (hereinafter referred to as “NSE”) vide notice dated August 7, 2017 and Metropolitan Stock Exchange of India Limited (hereinafter referred to as “MSE”) vide notice dated August 07, 2017, to all its market participants, initiated actions envisaged in the SEBI letter dated August 7, 2017 in respect of all the listed securities as identified by MCA and communicated by SEBI, with effect from August 8, 2017.
7. On August 09, 2017, SEBI further advised the Exchanges to submit a report after seeking auditor's certificate, from all such listed companies, providing the status of certain aspects of the company like company's compliance requirement with Companies Act, whether company is a going concern and its business model, status of compliance with listing requirements, etc.

AIL vide its letter dated April 27, 2018 submitted that *"these on-account payments received from and made to Adhunik Corporation Limited was occasioned mainly due to cash credit limit of the company being overdrawn when temporary*

interest free accommodation was arranged from Adhunik Corporation Limited to maintain the continuity of the operation of the Company. There being no sales or purchase of goods, the temporary accommodation was reflected in the books of accounts but not in the regular sale and purchase account.”

(v) From the Company’s Annual Report for the F,Y. 2015-16, *prima facie*, it is observed that the several funds transfer with Adhunik Corporation Limited amounting to more than Rs. 400 crores are not reflected in the related party transactions.

(vi) As per regulation 2 (1) (zc) of LODR regulations, Related party transactions means “*a transfer of resources, services or obligations between a listed entity and a related party, regardless of whether a price is charged and a "transaction" with a related party shall be construed to include a single transaction or a group of transactions in a contract.*” Thus, transfer of resources between a listed entity and a related party falls under the definition of related party transactions.

(vii) As per the explanation furnished in Regulation 23(1) of LODR Regulations “*A transaction with a related party shall be considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds ten percent of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity.*” Therefore, the receipt of more than Rs. 200 crores and transfer of more than Rs.200 crores totaling to more than Rs. 400 crores of such transfers between AIL and Adhunik Corporation Limited in the F.Y. 2015-16 amounts to more than 97% of the annual turnover of AIL during the F.Y. 2014-15 (Revenue from operation is Rs. 411 crores) which exceeds 10% of Annual consolidated turnover of AIL and thus it is a material related party transaction in terms of Regulation 23(1) of SEBI(LODR) Regulations. It is noted that company’s claim of temporary interest free accommodation has not been verified. However, even if the argument of the company is considered, still the transactions of

AIL of approximately Rs. 200 crores with Adhunik Corporation Limited is a related party transaction and is a material related party transactions that should have relevant approvals and disclosures.

(viii) As per regulation 23(4) SEBI (LODR) Regulations, 2015 “*All material related party transactions shall require approval of the shareholders through resolution.*” Company vide its reply dated April 27, 2018 did not provide any reply for any non-disclosure in the Annual Report of F.Y. 2015-16 which was sought vide SEBI email dated April 19, 2018. Also, it is observed from the extracts of resolution passed in the Board meeting and Audit Committee meeting dated May 29, 2015 furnished vide its reply dated December 30, 2017, that omnibus approval of related party transaction with Adhunik Corporation Ltd. was obtained for ‘Sale of Finished Goods’ for Rs. 12 crores and ‘Purchase of Goods’ for Rs.20 crores. Hence, requisite Audit Committee Approvals, Board Approvals and Shareholders’ approval were not obtained by the company while executing such funds transfers amounting to more than Rs. 400 crores with Adhunik Corporation Ltd. Thus, there is a *prima facie* evidence that AIL was not in compliance with regulation 23(4) SEBI (LODR) Regulations, 2015.

(b) Advance from customers:

(i) During the course of hearing as well as SEBI vide email September 18, 2017 advised AIL to submit the details of full break up and documents with respect to other short term liabilities for FY 2015-16. AIL vide letter dated September 25, 2017 submitted the following details of other short term liabilities:

S.No.	Particulars	Amount in Rs.
1	Current maturities of long term debt	6,44,26,087
2	Advance from customers	12,46,21,290

S.No.	Particulars	Amount in Rs.
3	Unpaid/unclaimed dividends	2,04,0000
4	Statutory dues	2,66,08,660
	TOTAL	21,58,60,037

(ii) Upon analysis of documents submitted by AIL with respect to the details of other short term liabilities i.e. as per Annexure D of the reply dated September 25, 2017, it is observed that Rs. 12.46 crore was advance from 103 customers. Considering the large number of customers, SEBI vide email dated December 20, 2017 advised AIL to provide the details of top 5 advance received from customers out of the list of 103 customers. AIL vide its reply dated December 30, 2017 provided the bank statement highlighting the receipt of advance and the copy of purchase order containing contract terms. The details provide by the company are listed below:

S. No.	Name of Customers	Amount received as on March 31, 2016 (as per reply dated September 25, 2017) in Rs.	Advance received from customers as per highlighted bank entries (vide reply dated December 30, 2017) in Rs.
1	Rameshwar Iron and Steel Pvt Ltd	2,41,58,420	2,57,13,788
2	Vivekananda International University	94,13,969	1,39,52,700
3	Kritika Wires (P) Ltd	1,36,43,990	1,39,51,471
4	Ravi Steel Pvt. Ltd	52,23,732	60,00,000
5	Radhika Enterprises	2,92,305	10,00,000

- (iii) On analysis of highlighted entries in the bank statements provided by the company (vide its reply dated December 30, 2017) w.r.t top 5 advances received from customers, it appears that most of the advances have been received by the company during the F.Y. 2015-16 except the advance of Rs. 1.39 crore received from Vivekananda International University in the month of February 2014 in two tranches which is outstanding (Rs. 94,13,969) as on March 31, 2016. AIL replied that they had received ad-hoc payment on regular basis for supply of material as per the Purchase order. AIL vide its reply dated December 30, 2017 has also submitted email correspondences with Vivekananda International University.
- (iv) SEBI vide email dated April 19, 2018 advised AIL to provide comments on differences in the details of Advance received from customers as on March 31, 2016 in terms of the reply dated September 25, 2017 and December 30, 2017 as mentioned in the table above. AIL vide letter dated April 27, 2018 submitted the copy of statement for reconciliation of differences in the amount of advances received and further submitted that the differences is because the partial amount of advance received is adjusted with the earlier sales made.
- (v) It is noted that AIL vide its reply dated April 27, 2018 has not provided the current status w.r.t. the advance received from Vivekananda International University which is outstanding (Rs. 94,13,969) for more than two years as on March 31, 2016.
- (vi) AIL have also submitted that they received Rs. 60,00,000 as advance from Ravi Steels Pvt Ltd and made a sales of Rs. 7,76,267 during the F.Y. 2015-16 and the amount of Rs. 52,23,732 is still lying with AIL because the order is under hold. It is noted AIL vide its reply dated April 27, 2018 has not provided the current status w.r.t. the same.

(vii) Thus, advances received from Vivekananda University and Ravi Steels Pvt. Ltd. *prima facie* do not appear to be in line with normal commercial practice. Thus, there is *prima facie* suspicion of misrepresentation of financials of AIL.

(c) **Advance payment to Supplier:**

(i) During the course of hearing as well as SEBI vide email September 18, 2017 advise AIL to submit the details of full break up and documents with respect to Short term Loans and Advances for FY 2015-16. AIL vide letter dated September 25, 2017 submitted the following details of Short term loans and Advances:

S.No.	Particulars	Amount in Rs.
1	Security Deposits (Sales Tax Department)	8,59,80,000
2	Advance recoverable in cash or in kind (Amount of Rs. 9.46 crores as Input VAT)	9,83,13,367
3	Prepaid Expenses	1,35,552

5	Balance with IT Authorities (Net Provision for taxation)	2,34,19,633
6	Balance with statutory/government authorities (Amount of Rs. 10.35 crores as Cenvat Credit for raw materials)	11,02,30,269
	TOTAL	41,67,20,780

(ii) Upon analysis of documents submitted by AIL with respect to the details of Short term loans and Advances, it is noted that out of the total amount of Rs.9.86 crores for Advances to Suppliers, 8.27 crores pertained to only one entity i.e. Gagan Ferrotech

Ltd. Therefore, SEBI vide email dated December 20, 2017 advised AIL to provide the bank statement highlighting the payment of Rs. 8.27 crores to Gagan Ferrotech Ltd. including contract terms, agreement copy along with documentary evidence and subsequent transactions.

- (iii) AIL vide letter dated December 30, 2017 submitted that the company has made ad-hoc payment of Rs. 10.15 crore to Gagan Ferrotech Limited during the period March 08, 2016 to March 22, 2016 and Rs. 8.27 crore was balance amount lying in the books of account in the ordinary course of operations of the Company following adjustments on FIFO basis method. The details of advance payment of Rs. 10.15 crore made by AIL to Gagan Ferrotech Limited as submitted by AIL is as under:-

	Amount outstanding as on 31-03-2017		8,27,34,285

- (iv) AIL further submitted vide letter dated December 30, 2017 that “*the company had not made purchases from the party and the amount get subsequently refunded*”. The

details of the refund (received from Gagan Ferrotech Limited) during the period April 12, 2016 to June 08, 2017 as submitted by AIL is as under:-

S. No.	Date of refund of amount	Bank Name	Amount (Rs.)
1	12-04-2016	Punjab National Bank, Shakespeare Sarani Branch, Kolkata	1,79,00,000
2	25-04-2016	Punjab National Bank, Shakespeare Sarani Branch, Kolkata	2,46,00,000

7	05-06-2017	HDFC Bank, Rasoi Court Branch, Kolkata	50,00,000
8	07-06-2017	HDFC Bank, Rasoi Court Branch, Kolkata	50,00,000
9	08-06-2017	HDFC Bank, Rasoi Court Branch, Kolkata	50,00,000
10	08-06-2017	HDFC Bank, Rasoi Court Branch, Kolkata	50,00,000
	Total		8,76,90,000

- (v) Upon analysis of documents submitted by AIL vide letters dated September 25, 2017 and December 30, 2017, SEBI observed that the purchase order (issued to Gagan

Ferrotech Limited) attached with the reply dated December 30, 2017 is of March 2015 and the advance for the supply of material has been paid in March 2016 (by AIL). Therefore, SEBI vide email dated April 19, 2018 advised AIL to explain the same. AIL vide letter dated April 27, 2018 submitted that AIL issued purchase order (to Gagan Ferrotech Limited) on March 2015 for huge quantity and supplier (i.e. Gagan Ferrotech Limited) was initially not able to supply the goods at the price of order so Company was each and every time revalidating the order and finally in March 2016 the indicative price got settled and AIL made advance payment to Gagan Ferrotech Limited.

SEBI observed that AIL has not submitted any documentary evidence in support of the revalidation of order during the period March 2015 to March 2016 and also has not submitted the final purchase order (issued to Gagan Ferrotech Limited) or Proforma invoice to substantiate that the order finally got revalidated in March 2016.

- (vi) Upon analysis of documents submitted by AIL, SEBI observed that the amount of advance outstanding was Rs. 8.27 crores as on March 31, 2016. However, AIL vide reply dated December 30, 2017 submitted that they received Rs. 8.76 crores (from Gagan Ferrotech Limited) since no transactions were carried out. Therefore, SEBI vide email dated April 19, 2018 advised AIL to explain about the excess amount so received by AIL.

With respect to receipt of excess amount of Rs. 8.76 crores (from Gagan Ferrotech Limited) against the advance payment of Rs.8.27 crore, AIL vide letter dated April 27, 2018 submitted that they had regularly been doing transaction with the party (i.e. Gagan Ferrotech Limited) and the amount of Rs. 0.49 crores is an excess amount that get settled in due course with transaction at a future dates.

SEBI observed that AIL has only paid advance to Gagan Ferrotech Limited and got refund back the amount from Gagan Ferrotech Limited in more than a year without

executing the purchase order dated March 30, 2015. It is also observed that there is huge delay in recovering the advance of more than Rs. 8 crores without any specific reasons pointed out and the last refund received was on June 08, 2017 against the purchase order of March 2015 and the advance payment made in the month of March 2016. It is also observed that no interest has been recovered by AIL for the delay.

(vii) SEBI observed that AIL vide its reply dated December 30, 2017 have stated that two letter of credit have been issued to Gagan Ferrotech Limited, however, no relevant documentary evidence was submitted. Therefore, SEBI vide email dated April 19, 2018 advised AIL to provide the copy of letter of credit dated March 08, 2016 and March 22, 2016. AIL vide letter dated April 27, 2018 submitted the copy of letters of credit.

SEBI observed that the advance payment of Rs. 10.15 crores in the month of March 2016 (Rs. 8.27 crores outstanding as on March 31, 2016) includes issuance of Letter of credit to Gagan Ferrotech Limited amounting to Rs. 5.09 crores. From the reply of the Company, it appears that AIL may have allowed the realization of letter of credit amounting to Rs. 5.09 crores to Gagan Ferrotech Limited without even receiving the material against the purchase order of March 2015.

(viii) Thus, from the above, it is noted that AIL had made advance payment of Rs. 10.15 crores to Gagan Ferrotech Limited in the month of March 2016 (Rs. 8.27 crores outstanding as on March 31, 2016) with respect to purchase order issued to Gagan Ferrotech Limited in the month of March 2015. It is also noted that the said amount was subsequently refunded back to AIL by Gagan Ferrotech Limited during the period April 12, 2016 to June 08, 2017 (i.e. during the period of approximately 15 months) as no purchases were made by AIL. Thus, there appears to be *prima facie* suspicion of misuse of books of accounts / funds of AIL.

20. From the above I note the following:

- (a) That requisite Audit Committee Approvals, Board Approvals and Shareholders' approval were not obtained by AIL while executing funds transfers amounting to more than Rs. 400 crores with Adhunik Corporation Ltd (related party). Thus, there is a *prima facie* evidence that AIL was not in compliance with regulation 23(4) SEBI (LODR) Regulations, 2015.
- (b) The advance received from Vivekananda International University which is outstanding (Rs. 94,13,969) for more than two years as on March 31, 2016 and the amount of Rs. 52,23,732 received as advance from Ravi Steels Pvt Ltd is still lying with AIL *prima facie* do not appear to be in line with normal commercial practice. Thus, there is *prima facie* suspicion of misrepresentation of financials of AIL.
- (c) It is noted that AIL had made advance payment of Rs. 10.15 crores to Gagan Ferrotech Limited in the month of March 2016 (Rs. 8.27 crores outstanding as on March 31, 2016) w.r.t. purchase order issued to Gagan Ferrotech Limited in the month of March 2015. It is also noted that the said amount was subsequently refunded back to AIL by Gagan Ferrotech Limited during the period April 12, 2016 to June 08, 2017 (i.e. during the period of approximately 15 months) and no purchases were made by AIL. It is observed that AIL had failed to give adequate explanation for the same. Thus, there appears to be *prima facie* suspicion of misuse of books of accounts / funds of AIL.

21. Thus, there is a *prima facie* evidence that AIL was not in compliance with SEBI (LODR) Regulations, 2015 and there is *prima facie* suspicion of misrepresentation of business/financials as well as suspicion of misuse of books of accounts of the Company. The directors & KMPs have therefore *prima facie* failed to discharge their fiduciary responsibility. The Company is also liable for the *prima facie* violations observed and it is imperative that in the interest of investors, the financials of the Company be independently audited to establish their genuineness of its transactions.

Issue No. 3. *In view of the determination on the above issues, pursuant to SAT Appeal and the order of SAT in the said appeal, whether, in view of the representation of the Company, any measures similar to those envisaged in SEBI letter dated August 7, 2017 needs to be taken by SEBI.*

22. In view of the *prima facie* evidence that AIL was not in compliance with SEBI (LODR) Regulations, 2015 and *prima facie* suspicion of misrepresentation of business/financials as well as suspicion of misuse of books of accounts of the Company, the persons who are in control of the Company and the directors/promoters of the Company are *prima facie* liable for action by SEBI and should not be permitted to exit the Company at the cost of innocent shareholders.

23. The findings in this order have been rendered on the basis of the *prima facie* evidence available at this stage. Detailed examination / forensic audit needs to be undertaken to unearth the entire extent of violations and possible compromise of minority shareholder interest.

24. In view of the above, I am of the view that following interim actions are required to be taken, pending further enquiry/audit.
