It is clear that 'uncleyoung' is in trouble. NEPC Agro Foods Ltd. was debarred from [trading](#) on NSE from 2001. There are a whole list of prosecutions against NEPC group companies. RaviPrakashKhemka is barred from the [capital market](#) till 01st July 2006. If one were to visit: [watchoutinvestors\[dot\]com](#) and register there (free), you can datamine lots of dirt about this person and his group companies. The internet has given us a certain transparency and a 'tool' and we should use it and warn investors about such criminals and their activities.
