

BEFORE THE SECURITIES AND EXCHANGE BOARD OF INDIA

SETTLEMENT ORDER

In the matter of settlement applications filed under the SEBI Settlement Scheme - 2022

1. As part of the ongoing surveillance, the Securities and Exchange Board of India (hereinafter referred to as “SEBI”) noted several instances of trades by a set of entities trading in the options segment of certain stocks listed on the Bombay Stock Exchange (hereinafter referred to as “BSE”). These trades appeared to be abnormal since they were consistently found to result in significant losses and were then reversed with the same set of counterparties, either on the same day or the next day.
2. SEBI conducted an analysis of the stock options segment of BSE during the period April 1, 2014 to September 30, 2015 pursuant to which it was confirmed that several entities were consistently incurring significant losses through their trades, while several others were consistently making significant profits, by executing reversal trades in the stock options segment on the BSE. It was observed that the trading was carried out in the illiquid options of certain scrips in the F&O segment of BSE. It was further noted that out of 21,652 entities that had executed trades on the BSE Stock Options Segment, a total of 14,720 entities were involved in the generation of artificial volumes by executing non-genuine/reversal trades on the same day, in violation of Regulations 3(a), (b), (c), (d), 4(1) and 4(2)(a) of the SEBI (Prohibition of Fraudulent and Unfair Trade Practices) Regulations, 2003. In view of the same, SEBI initiated adjudication proceedings against these entities.
3. Some of the entities against whom Orders were passed in the adjudication proceedings appealed before the Securities Appellate Tribunal. During the course of the hearing in a group of appeals, the Tribunal, vide its Order dated May 13, 2022, *inter alia* observed that “SEBI should reconsider and seriously give a thought in coming out with a fresh Scheme under Clause 26 of the Settlement Regulations, 2018. Such scheme can be a onetime scheme for this class of person. The terms of settlement should be attractive so that it could attract the noticees/entities to come forward and settle the matter which

will ameliorate the harassment of penalty proceedings to the noticees and at the same time would help to clear *the backlog of these pending matters before various AOs*”.

4. In this backdrop, SEBI decided to introduce a Settlement Scheme referred to as the SEBI Settlement Scheme, 2022 (hereinafter referred to as “Scheme”) in terms of Regulation 26 of the SEBI (Settlement Proceedings) Regulations, 2018 (hereinafter referred to as “Settlement Regulations”). This Scheme would provide a onetime opportunity to the entities against whom proceedings had been initiated and appeals against the said proceedings are pending before any forum or authority. Regulation 26 of the Settlement Regulations reads as under:

Settlement Schemes.

26. Notwithstanding anything contained in these regulations, the Board may specify a settlement scheme for any class of persons involved in respect of any similar specified defaults.

Explanation. - A settlement order issued under a Settlement scheme shall be deemed to be a settlement order under these regulations.

5. Accordingly, SEBI framed the Scheme in accordance with the provisions of the Settlement Regulations and issued a Public Notice dated August 19, 2022 about the Scheme and the modalities for availing the benefit of the Scheme. The Notice was also made available on the website of the BSE.
6. In terms of the Scheme, any entity desirous of availing the benefit of the scheme could avail the same by filling up the requisite details and paying the applicable settlement amount and registration amount through the online platform made available on the website of SEBI (www.sebi.gov.in) .
7. The Scheme was initially kept open for a period of three months commencing from August 22, 2022 to November 21, 2022 (both days inclusive). Considering the interest of a large number of entities to avail the Scheme, SEBI extended the period of the Scheme till January 21, 2023 vide public notice dated November 22, 2022.
8. A total of 10,980 entities availed the benefit of the Scheme and remitted the specified settlement amount respectively. The details of the applicants and the remittance made by them is placed as **Annexure-A**.

9. In view of the above, in exercise of the powers conferred under Section 15JB read with Section 19 of the Securities and Exchange Board of India Act, 1992 and in terms of Regulation 26 read with Regulation 28 of the Settlement Regulations, it is hereby ordered that the proceedings that have been initiated and are pending before any forum or authority for the violations as mentioned in paragraph 2 be settled *qua* the applicants mentioned at **Annexure-A** from Serial Nos. 1 to 10,980 and as per the following terms:
- i. SEBI shall not initiate any other action against the said applicants for the said defaults;
 - ii. SEBI shall not continue the proceedings already initiated in respect of the applicants for the defaults as mentioned earlier.
10. The passing of this order is however without prejudice to the right of SEBI under Regulation 28 of the Settlement Regulations to initiate appropriate actions including continuing the proceedings against the applicants, in case SEBI finds that:
- a. any representation made by the applicant/s in the present settlement proceedings is untrue;
 - b. the applicant/s has breached any of the clauses/ conditions of undertakings/ waivers filed during the present settlement proceedings.
11. This settlement order is passed on this 8th day of March, 2023 and shall come into force with immediate effect.
12. In terms of Regulation 25 of the Settlement Regulations, a copy of this order shall be published on the website of SEBI.
